### In Memoriam

**PAUL** - In loving memory of our dear dad Russel who passed away March 30, 1983.

We wish so much that life could be just as it was before.

That you'd be in your favorite chair  
When we come through the door.

Two loving hands are resting

A voice we loved is still  
A dad we loved is waiting for us

Just over the hill.  
You left us all so quickly

You never said good-bye.  
But we know you are watching over us

From your beautiful home on high.

Sadly missed by your family

### In Memoriam

**DUHEME, Alec** - two years ago March 29th, 1982. Silent thoughts of times together

Will keep your love forever

Never selfish

Always kind

Are the memories you left behind

Never fail to do your best

Your heart was warm and tender

You live your life for those you loved

And those you loved, remembered

Sadly missed by your wife Margaret and family

**MARLIN, Ethel** - in loving memory of a dear wife, mother, mother-in-law and grandmother who passed away on March 28, 1981.

The things we felt so deeply

Are the hardest things to say

But we, your family loved you

In a very special way

They say that memories are golden

Well, that may be true

But we never wanted memories

We only wanted you.

If tears could build a staircase

And heartache make a lane

We'd walk a path to heaven

And bring you home again.

Our family chain is broken

And nothing is the same

But as God calls us one by one

The chain will link again.

Lovingly remembered

and sadly missed by husband George and family.

**SMALL, Bessie** - In loving memory of a dear mother who passed away on March 30, 1983.

"I can't recall a sadder day

When this good mother was called away

I can't recall a reason why

That she was called to on high

To the wall of praises

To the swirl of prayers

This woman she knew them all

I only wish that our dear God

Had waited for the call."

God bless you mom, loving daughter, Janet.

**PAUL** - In loving memory of my dear husband Russel who passed away one year ago March 30, 1983.

I am thinking of you today

Thinking of the past picturing you in my memories.

Just as I saw you last

How could my heart forget you

When everything I do is something that reminds me

Of the years I spent with you.

Sadly missed your wife Beryl
