## CARD OF THANKS

I regret that there is not enough time left between 90 years and 100 years to personally thank all the kind friends who have wished me well, by card, phone, etc. and who were unable to attend the party on the 15th prepared in my honor by daughters Carol and Marilyn, with husbands Joe Carr and Richard O'Regan. To those people whom I have not personally thanked I hope that you will accept this card to show my appreciation of your best wishes and thoughtfulness. You all are the reason I live in Huntingdon and not in Florida or California.
