PATENAUDE, Elizabeth - Remember a grandmother. It has been 2 years since you passed away, October 17th, 1989.

But it doesn't seem that long ago since you left, To us you're the best.

You looked after all of us when we were babies, And when we all grew up, We can feel your presence in our hearts,

And still remember the memories.

But you're not only a grandmother to us, you're a mother of five children, Who all miss you a lot.

But you know that we will always have you in our thoughts, dreams and remember the memories we all shared.

We were sad when you passed away,

But we were happy that you didn't have to suffer.
