We would like to thank the generosity of the surrounding community for their help during our time of need. We would like to thank our children, who were at our side in a matter of moments. Also we would like to thank: Mario Lemire, Cindy Wilson, Kevin Staveley, Orrick and Glen Thurston and families, Mario and Jacques Caza, Marius and Wilma Trepanier and families, Pat, Shawn and Matthew Chapman, Leonard, Luc and Roch Brunet, Jim and Judy Mather and family, Claude Fournier, Claude Legros, Chris Wallace, Gary and Larry Cluff for the use of their shovel, Gary Cluff for bulldozer work, and manual labor, John Soesbergen, Elmar and Jacinthe Langley, Greg Rennie for manual labour and transport, Kenny Fraser for being jack of all trades, Denis Mailhot for sawing lumber in record time, Les Silos Jean Marc Lambert, Iris Simpson Barr, Donald Brown Equipment, my friends and co-workers at the Centre d'Accueil, Robert and Oene Ykema, Andrea Vallée, Daniel Wells, Lyonel Vincent and many others too numerous to mention. All the time, help and concern that they showered on us was really appreciated. A special thank-you goes out to the person or persons who stole our chain saw when we went to the bush to cut logs for lumber, to repair the barn. That was the icing on the cake if you've never seen a grown man cry I can tell you I have, a person can only take so much. Regardless of our situation, it is nice to know that there are still good people in our community who are there with a helping hand when needed. We will be there to return the favor some day.
